## NEVER AGAIN

Should You Place Loose Pennies in the Mail Box.

"Never again" has been called by the Postal department on the habit of dropping loose coin in the rural mail box expecting the rural carrier to freeze fingers while digging them up.

The following notice has been sent to all post masters by the department and this ruling will govern rural carriers:

Postmasters at rural delivery offices and rural carriers are directed to bring to the attention of patrons that it is the desire of the Department that all first class mail matter deposited in rural mail boxes shall be stamped before being so deposited.

When this is not practicable coins left in such boxes for the purchase of stamps should be deposited in coin-holding receptacles and not inclosed in envelopes, wrapped in paper or left loose in boxes. Postmasters and carriers should give this notice as much publicity as possible.

## PUBLIC SCHOOL MEETING

Efforts Being Made to Improve Condition of Schools.

The effort of the state of Ohio to improve the school system of the state is finding expression in public meeting held in the school buildings. At these gatherings the citizens are discussing school questions—viz—the improvement needed, qualifications of teachers; centralization of the district schools; better means of supervision; the school buildings as social centers; the report of the commission on school survey; have the schools kept up with the times.

The governor and the school commission have been very active in this line and the schools which did not have "survey day" last Friday are arranging for it on other days. The Perryburg village schools are preparing for it on the Tuesday afternoon and evening before Thanksgiving.

Parents will be invited to visit the schools and in the evening there will be a program. The schools will have part in the program as will some of our leading citizens. There will be no charge. An opportunity will be given to the public to hear discussed some of these vital questions and their application to our village school.

The school orchestra under the charge of Miss Jean Hamilton the musical director, will be present. There will also be some fine choruses by the pupils of the grades.

Every interested patron should be present.

## LIME CITY SCHOOLS

Give Interesting Entertainment for School Survey Meeting.

Lime City held their School Survey Day meeting on Friday evening. They were the only school in the township to respond to the Governor's call in behalf of Education.

The following program was given:—  
Opening song—America.  
Reading of Governor's Proclamation—Viola Emch.  
Recitation—Donald Clayberger.  
Solo—Rose Trepanier.  
Reading, "History of Education"—Kathryn Mogel.

Song—First and Second Grade.  
Reading, "Pro and Con"—Merle Ward.

Song—Fourth and Fifth Grade.  
Recitation—Alvin Wells.  
Solo—Hia Ward.  
Recitation—Margaret Zingg.  
Song—First and Second Grade.

The speaker for the evening was Prof. W. F. Shaw, superintendent of the Bowling Green Schools. Mr. Shaw gave an excellent talk. He spoke particularly of the great possibilities of the future of our boys and girls in the public school and the world wide call of better and higher education.

They then chose Mr. T. H. Tinney, President of the Board of Education, as delegate for the State Educational Congress at Columbus on December 5th and 6th. Mr. Charles Zingg was chosen as alternate.

Refreshments were served, and the remainder of the evening spent in a social time.

The Board of Education and teachers wish to thank Professor Shaw, Mr. Ward, Miss Trepanier, and Miss Ward for their part in the program which was enjoyed by all.

## OBSERVATIONS.

Concerning Nothing Very Serious but Worthy of Thought.

The saloons that were put out of commission by the new law must close out their business by midnight Saturday of this week. Maumee will have only four instead of their customary nine. However, Maumee will be just as wet as ever.

Organization seems to be the order of the day, and the farmers who have been furnishing the bees necessary to make millionaires of the sugar manufacturers have concluded that they will take a try at organization and by adopting the famous motto—"One for all and all for one,"—will insist on prices and conditions in beet growing that will make their high priced land produce a better interest on the investment.

"Shop early" is the slogan for Christmas buyers. The stores now contain just as good assortments as will be shown at Christmas time, and it is much easier to shop now than it will be a few weeks later.

For a few days longer we may expect the daily papers to be filled with slush relative to the approaching wedding in the White House—the color of the brides dress, her hair, her slippers and what kind of face powder she will use, together with the number and value of her jewels. Even the family pastor has found an opportunity to advertise himself by giving out one or two columns of very silly gush about this wonderful maiden and her approaching marriage. And after all she is only one of a million other girls who are just as good and just as sweet, but who are earning their own living instead of obtaining their greatness and prominence by means of a split in the Republican party which seated Pa in the President's chair.

Perryburg will go into Winter quarters a much cleaner and neater village than a year ago before the Civic association was organized.

Don't forget to drop your mite in the Santa Claus cash boxes that are to be found in the two Perryburg banks. Remember you can thus insure a visit of the good Saint to the home of a needy child, who would be missed if the Santa Claus Club did not give him a package to deliver.

## AGRICULTURAL REPORT.

The estimated acreage sown for the wheat harvest of 1914 is approximately 30,000 acres more than was harvested this year. Average date of sowing was a little earlier than last year, and favorable weather makes condition a little above the average.

Alfalfa production shows average of three tons per acre, the same as last year but an increase of about 2,000 acres over last year.

The area seeded to rye this fall is estimated at about 25,000 acres less than last year.

Corn prospects are not flattering. The estimated acreage planted is 3,044,078 acres. From present prospects this will produce approximately 90,000,000 bushels as against 127,700,000 bushels last year.

The 1913 yield of sugar beets is estimated at 90 per cent as compared with last year, due to dry weather during July and August. The acreage was also about 1,800 acres less.

Potato acreage was about the same as last year. The average estimated production per acre is about 50 bushels less than last year. The total estimated production for 1913 is 7,157,011 bushels as against 10,579,700 last year.

The condition of hogs is about the same as last year. Number fattening for market is 86 per cent as compared with 1912.

## NOW IS THE TIME

To Give Your Assistance to The Santa Claus Club.

Last year a few ladies and gentlemen took upon themselves the work of preparing gifts of clothing, toys and confectionary (anything that would please and benefit a child) and distribute them among fifty needy, poor children. And these people called themselves the Santa Claus Club.

Contributions of cash and clothing were made by a number of kind hearted people, but nearly all the work and much of the cash came from the club. After the work was completed a number of people said—"Why didn't you let us know about it, so we could have assisted?"

This year the Club has made public announcement and asked for assistance from everybody, but thus far ONLY THREE PEOPLE

other than those who assisted last year have contributed a penny toward the work.

It has been suggested that a subscription paper be sent out asking for cash contributions, but the club positively refuse to do so, preferring to dig down in their own pockets for the cash rather than to beg for help.

At the last meeting of the club, held Friday night, a committee was appointed to purchase dolls and other suitable gifts and representatives of the Woodmen Circle and W. C. T. U. were present and volunteered to assist in the work of dressing the dolls and preparing clothing for the children. The Queen Esther girls will also assist in a similar manner.

A box for contributions of cash will be placed in each of the Perryburg banks where any amount from a penny up, can be deposited, and we have faith to believe that the generous hearted people of Perryburg will come up with the necessary cash to buy a Christmas package for each needy child.

It should be understood that NO PERSON is authorized to solicit money on behalf of the club. VOLUNTARY CONTRIBUTIONS ONLY will be accepted, and should be sent to the Secretary or Treasurer, or deposited in the boxes at the banks.

The club elected the following officers:

President—Mrs. Wm. Mills  
Treasurer—Mrs. R. P. Barton  
Secretary—E. L. Blue  
Any family that can find suitable clothing that can be used will confer a favor upon the club by informing either of the above named parties, or by sending the goods to the club rooms at the Journal office.  
DO IT NOW.

## NAPS VS. NAPOLEON.

The Perryburg Naps traveled to Napoleon Sunday and met their first defeat in two years and the second in four years. The Naps were outweighed and outplayed. Napoleon has a fine bunch of hard Foot Ball players and the credit is due them.

Score—Napoleon 35; Naps 0.  
The boys received fine treatment and were given a hearty welcome by fans and players.

## Saved His Foot.

H. D. Ely, of Bantam, O., suffered from horrible ulcer on his foot for four years. Doctor advised amputation, but he refused and reluctantly tried Bucklen's Arnica Salve as a last resort. He then wrote: "I used your salve and my foot was soon completely cured." Best remedy for burns, cuts, bruises and eczema. Get a box today. Only 25c. All druggists or by mail, H. E. Bucklen & Co., Philadelphia or St. Louis.—Adv.

Death in Maumee and Weston and Burglars in Bowling Green.

E. L. Jaquis, 73, long time resident of Maumee, died at 11:35 o'clock Saturday last, of hardening of the arteries. He had been ill a long time, but was not confined to the house until a few days ago. He formerly was superintendent of the cotton mill and later was with the Claflin Company.

He leaves a widow and a daughter, Mrs. S. N. Brown of Toledo. The funeral was held at the residence Tuesday at 1 o'clock with burial at Ft. Meigs cemetery.

Albert Isaac Neifer died at his home in Weston Monday morning of a complication of diseases caused by being caught in a heavy rainstorm during the fair at Toledo about two and a half months ago. He was 54 years, 1 month and 9 days old. The funeral was held at 10:00 Wednesday morning at the house in charge of the K. of P. lodge of that town. Burial was made in Weston cemetery.

Mr. Neifer was a native of Wood county, and was born in Washington township. He was well known not only in Wood county but all over the state of Ohio as a great farm producer and fruit grower. He was a brother of Frank Neifer of Perryburg.

Burglars entered the coal office of Avery & Clague, and the office of the McMeghen Preserving Co. in Bowling Green on Sunday night. They secured \$2 from an open safe in the coal office, but nothing in the other office. Drawers were rifled in both places and the contents strewn over the floors.

At a meeting of sugar beet growers at the courthouse Saturday afternoon, there were discussions on how to improve conditions in the way of delivering, testing and grading beets and on how to secure more money per ton. John Peach, of Toledo, of the Farmers' Service and Co-operative Co., was the chief speaker. J. C. Solether, of Jerry City, was chairman and J. A. Stibel, of Dunbridge, secretary. Another meeting will be held at 1 o'clock Nov. 29, at which time an organization will be effected.

## CORNELLS VS. NAPS.

Next Sunday will be a hard battle on the local gridiron with the heavy Cornells of Toledo. This will be one of the best games of the season. These met early in the season and played a tie game 6 to 6. The Cornells outweigh the Naps 20 pounds to the man and they have two old Perryburg players Walker and Simons. This game will be for blood, and the best team must win.

The Cornells have three special cars for rooters, so turn out and keep Perryburg on the Map. Game starts at 2:30 p. m. sharp. Admission 25c.

## Declare War on Colds.

A crusade of education which aims "that common colds may become uncommon within the next generation" has been begun by prominent New York physicians. Here is a list of the "don'ts" which the doctors say will prevent the annual visitation of the cold:

"Don't sit in a draughty car."  
"Don't sleep in hot rooms."  
"Don't avoid the fresh air."  
"Don't stuff yourself at meal time. Over-eating reduces your resistance."  
"To which we would add—when you take a cold get rid of it as quickly as possible. To accomplish that you will find Chamberlain's Cough Remedy most excellent. Sold by all dealers."

## THE MAYOR ELECT

Says He Will Be Mayor for All the People.

I wish to thank each and every one who supported me for Mayor at the November election. I shall try to conduct myself in such a manner that you shall at no time have any reason to regret your action, and assure you that the confidence placed in me shall at no time be misused or abused. I am wearing the same hat I wore before election, neither did I go home after election and tell Mrs. Finkbeiner not to let the children play with the neighbors children. This office came to me without any desire or solicitation on my part. I had positively declined, but after much persuasion on the part of many friends, I wilted, and said "let'er go" and accepted not from choice but from a sense of duty. Every person ought to be willing to make some sacrifice for the public good. We must at all times safeguard and take care of what we have and to reach out and extend the glad hand of welcome to all others who wish to share the joys, comforts, happiness and their tortures with us, however all along good sane business lines. Let us be fair and just with others and we will be fair and just with ourselves.

## MY POLICY SHALL BE

Use every honorable means in securing utilities, factories and other institutions.

No enemies to punish—no friends to favor.

Rather be right than Mayor.

I shall carry out the laws as God Almighty has given me the light and intelligence to see and understand them.

I again thank you all

Very Sincerely Yours

CHRIS FINKBEINER

Mayor-elect of Perryburg, nature's beauty spot, and all the people.
